Costumes

ONLY costume pieces, tights, shoes, hair accessories, and undergarments approved by your instructor may be worn for performances. **ALL UNDERGARMENTS MUST BE ENTIRELY CONCEALED BY THE COSTUME.** NO NAIL POLISH ON FINGERS OR TOES, JEWELRY OF ANY KIND, OR UNDERWEAR MAY BE WORN UNDER ANY COSTUME. Only nude bras or nude camisole leotards with clear straps may be worn. Nude leotards may be ordered through Dance Fusion at \$20 each (\$35 @ Dance Boutique, Tilghman Street). All dancers will be inspected before performing. A professional look is a MUST.

Costumes must be wrinkle-free for performances. There is a professional steamer here at the studio that you may use, or you may run the shower on hot water to fill the bathroom with steam and hang the costume in the bathroom to allow the steam to remove wrinkles. If ironing is needed, turn costume inside out and use ONLY THE LOWEST setting on the iron. Please be VERY careful with your costumes. The costumes and accessories cannot be replaced. Keep everything in a waterproof garment bag (available at the Dollar Tree – Trexlertown) labeled with your name, phone number, and address. Each costume piece should be labeled with your name as well.

Hair

To achieve our professional look for performing, all hair styles MUST be secured tightly, NO EXCEPTIONS. We have recently updated our look to the style pictured here. Occasionally, teachers ask for a different style. In that case, we will make sure you are properly informed. Whatever your hairstyle may be, your hairnet, rubber band, and bobby pins MUST match the color of your hair.

Make-Up

Younger Students: Stage lighting will wash out your child's face. Please apply rose-colored blush and lipstick to avoid a washed out appearance on stage. The make-up will be visible in regular light and should appear normal under stage lighting. We want our little ones to look great on stage, so make-up for one day can be a privilege for them!

Older Students: Foundation, either the same, or a slightly darker shade than your normal skin tone. Apply loose powder to face. **Blush** should be a deep terra cotta color or a deep pink (no light colors). Make it slightly curve up along the *apple*. **Eye Shadow** shades of browns, tans, light pinks and purples are allowed. Though you may use colors, it should not look haphazardly applied or over the top! **Eyeliner,** dark brown or black. **Mascara,** dark brown or black. **Lipstick** choose a tone slightly darker to your natural lip color in a pink or red shade, no Brown. Use any true red lipstick. Line the lips with a similar color to prevent the lipstick from bleeding. This is the only make-up that is acceptable for performances.

Please Note: We do not force you to put make-up on your little ones, but if you choose to, only the make-up above is permitted.
