

Winter 2018 News

Since we opened for business in September of 2007, loyal support from our enrolled families has helped us grow, resulting in the need for more space to serve you better. For the past two years we've been looking for a new location and it is with great pleasure that I announce that in July of 2018, Dance Fusion will be relocating to a bigger and better location! Our new address will be 6330 Farm Bureau Road, Allentown, PA 18106, but our

phone number (610-360-4335) and email address (dancefusionpas@gmail.com) will remain the same. The new location is near the Leader of the Pack Canine Institute and offers much more space. The 9,600sf building will almost double our studio space, offering 5-6 studio rooms, ample storage and plenty of space for parent waiting. We are even adding rigging to allow for aerial silks workshops. One of our dance studios will also double as a

performance space, similar to a black box theater. WE CAN'T WAIT to expand our class offerings and include dance production, better scheduling and overall; more space for everything!

Stay tuned to our FaceBook page (<https://www.facebook.com/DanceFusionPerformingArtsStudio>) for updates on this project!

Guess What?! Our Family Is GROWING Too!

The studio isn't the only thing getting bigger this summer... our Dance Fusion Family is growing too! We are so excited to announce that Miss Alex and her husband, Jim are expecting their first baby in June! Congratulations and best wishes to them both as they join us on this wonderful journey of parenthood!
