

STUDENT UNIFORM POLICY

Frequently Asked Questions

1. Where can I purchase the uniform?

Uniforms (leotards, shoes, tights & more) can be ordered through the DSP parent portal by clicking on the STORE icon.

Feel free to stop in at the studio desk & request a complimentary fitting!

2. What is the uniform for Fusion2 Dance Company?

Fusion2 students should follow the uniform policy for their appropriate class level. In addition to the uniform for their level, they will also have additional options as defined in the Fusion2 page of the guidelines.

3. What do I wear if I am in 2 different level classes?

If students are in 2 different level classes (ie: level 2 for Ballet and level 3 for Acro), they should wear the lower level uniform color until you are at the highest level for all classes. (Fusion2 students can refer to Fusion2 Uniform Policy.)

4. Is Dance Fusion apparel allowed in class?

Warm up gear is allowed during class warm up; however, students must be prepared to remove warm up gear when prompted by their instructor. Sweatshirts, t-shirts and sweatpants are also allowed to be worn over the base leotard in the Hip-Hop and Breakdance classes at the discretion of the instructor.

5. Will there be times when uniforms are not required for class?

YES! We will have dress up & spirit weeks and special class days where our students can wear other apparel!

6. What happens if I don't comply with the Dance Fusion Uniform Policy?

Parents/guardians will be contacted and the student may be asked to sit out of class.

**This excludes new students who have their first uniform on order.*
